Dear 5th level families,

For the past several years our 5th and 6th level students have teamed up with the parish St. Vincent de Paul Society's youth group (Minnie Vinnie's) and more recently our parish youth group to be involved in community service.

Students will do a total of 7 activities over approximately two years (5th level thru Confirmation) Four are required (Walk for the Poor 2x & Opening Meeting 2x) and 3 are selected from the elective list. Below is a schedule of both the required and elective activities. Hopefully the children's experience will be positive and they will participate in our parish's youth organizations even after Confirmation. Summer families please note that some activities can count both for the family summer activity requirement and the Confirmation requirement. See the Summer Activity list for the crossovers. Please contact me with any questions.

Yours in Christ,
Chris Flack
